

The World Is Our Classroom Foundation

The World Is Our Classroom (TWIOC) Foundation is a 501(c)(3) non-profit organization benefiting Competitive Edge Charter Academy, (CECA), in Yucaipa, California.

Our mission is to support class field trips and technology for all CECA students. Together, we bring the world to CECA!

Your annual donation to TWIOC Foundation will be used to enrich your child's learning experience at CECA this year and for years to come.

We will be working closely with CECA director, Mr. Mead, throughout the school year to identify and prioritize the educational needs and requirements of our school. We will be transparent and disclose how each dollar is spent.

We have made a strong commitment to our children and have already allocated a large portion of funds to purchase new technology for the library and classrooms, as well as equipment for the school.

Something More at CECA

The "Invest in Your Child" Campaign will help support the resources needed to provide our students with the items and activities that will encourage learning and promote school success.

Unlike traditional fundraising, done through product sales, 100% of the money raised through the "Invest in Your Child" campaign goes to benefit Competitive Edge Charter Academy. With this approach, there's no profit-sharing with third-party vendors, which enables us to provide **even more** to our students.

Your annual commitment of \$300 per student supports your child's field trips for the year and technology for the school. It is also a tax deductible donation.* (*always check with your tax professional).

Please complete the response form and return it to the CECA school office with your check or credit card information by **December 16, 2016**.

Open enrollment for "Invest In Your Child" Campaign for the 2016-2017 school year is **August 11, 2016- December 16, 2016**.

All families must complete a new response form each year to participate in the "Invest in Your Child" campaign.
