TWIOC Foundation

is a 501c(3) non-profit organization benefiting Competitive Edge Charter Academy, (CECA)

Our Mission

is to support class field trips and technology for all CECA students.

Your annual donation

to TWIOC Foundation will be used to enrich your child's learning experience at CECA this year and for years to come.

We work closely

with the CECA administration throughout the school year to identify and prioritize the educational needs and requirements of CECA.

We have made a

strong commitment

to our children. CECA has received many new technology donations from TWIOC this past school year.

These donations include: computers for CECA teachers and students, a new kiln for the art teacher and scholarships to 3 CECA alumni students. These donations total over \$13,000 for the 2019-2020 school year!

We look forward to making many more donations this 2020-2021 school year.
